

NORTH EUGENE HIGH SCHOOL

To Whom It May Concern,

The North Eugene Dance Team is entering its 2017-18 season and looking for community support to help fund their year-long season! We couldn't have pulled off this past season without sponsorships. In fact, we just ended our most successful and competitive seasons in our program's history! While we missed a State trophy placement by a fraction of a point, we earned three trophies this season and we earned our program's highest scores at the OSAA State Championships this March. As if that weren't enough, our team was recognized by the OSAA for having an average team GPA of 3.58 (eighth highest in the state), along with five dancers with 4.0 GPAs. Our girls work very hard, nearly twelve months a season, on and off the dance floor. We have big plans to continue this streak of success, and we would love to have you along for another great season!

By becoming a 2017-18 sponsor, you help our team afford competing statewide, purchase gear and costumes, and send dancers to camp, for example. We have a goal of raising \$15,000 in sponsorships to help offset the costs for dancers to participate. There are other ways that you can help, such as running an ad in our showcase program, which will be seen by hundreds of people this fall. You could also donate a good, item or service to our silent auction. With help from people like you, we can raise enough money to cover our season costs throughout the year. Donations are tax deductible (North Eugene Tax ID#: 93-6000-566).

Please select the sponsorship level you'd like (circle) and/or check the other donation options below:
