

NORTH EUGENE HIGH SCHOOL

To Whom It May Concern,

The North Eugene Dance Team is entering its 2019-20 season and looking for community support to help fund their year-long season! We couldn't have pulled off this past season without sponsorships. We just completed a very successful season! While we missed a first place trophy by a five points, we earned a first place and two second place trophies this season. As if that weren't enough, many of our dancers were recognized by the OSAA for having a GPA of 3.75 or more, along with five dancers with 4.0 GPAs. Our girls work very hard, nearly twelve months a season, on and off the dance floor. We also were selected to perform in Disneyland and plan to travel for a five-day trip in April 2020! We have big plans to continue this streak of success, and we would love to have you along for another great season!

By becoming a 2019-20 sponsor, you help our team afford competing and performing throughout the West Coast, purchasing gear and costumes, and sending dancers to summer camp, for example. We have a goal of raising \$20,000 in sponsorships to help offset the costs for dancers to participate. There are other ways that you can help, such as donating a good, item or service to our silent auction. With help from people like you, we can raise enough money to cover our season costs throughout the year. Donations are tax deductible (North Eugene Tax ID#: 93-6000-566).

Please select the sponsorship level you'd like (circle) and/or check the other donation options below:
