

NORTH EUGENE HIGH SCHOOL

To Whom It May Concern,

The North Eugene Dance Team is entering its 2024-25 season and looking for community support to help fund their year-long season! We couldn't have pulled off our past seasons without sponsorships and donations. We had a program-best, history-making season, placing 3rd at the the 2022 OSAA State Championships, and this past season won 5 first place trophies, as well as several 2nd and 3rd, locally at competitions! As if that weren't enough, many of our dancers carry a 3.80+ GPA. Our team has been top ten in the state of Oregon for team GPA for nearly a decade, and this year our team GPA average was 3.56! Our athletes work very hard, nearly twelve months a season, on and off the dance floor. We have big plans to continue this streak of success, and we would love to have you along for another great season!

By becoming a 2024-25 sponsor, you help our team afford competing and performing throughout the West Coast, purchasing gear and costumes, and sending dancers to summer camp, for example. We have a goal of raising \$40,000 in sponsorships to help offset the costs for dancers to participate. There are other ways that you can help, such as donating a good, item or service to our silent auction. With help from people like you, we can raise enough money to cover our season costs throughout the year. Donations are tax deductible (North Eugene Tax ID#: 93-6000-566).

Please select the sponsorship level you'd like (circle) and/or check the other donation options below:
